秦

It only lasted just over 20 years!!!! Maybe he should have been nicer.

How did Shi Huangdi's policies help unify China?

How was Liu Bang different from all the other Chinese emperors?

汉

What Han dynasty emperor made Confucianism the official government philosophy?

The image shows the Chinese character '汉' (Han) written in blue ink. It consists of two parts: a vertical radical on the left and a more complex structure on the right. The radical is composed of three short, slightly curved strokes. The right part is formed by a horizontal top bar, a vertical line on the right side, and two diagonal lines that cross each other in the center, forming an 'X' shape.

How did this affect the importance of the family during the Han dynasty?

What Chinese innovation is being shown here?

What does this do?
